

ENE 486 WIND ENERGY SEMESTER PROJECT ANNOUNCEMENT

As part of the wind energy course, there will be groups of 5 members to be formed. Information about the groups should be notified to yaglikci@eng.ankara.edu.tr until 20.04.2023 at the latest.

The following information is expected to be included in the feasibility project.

- *Location information selected for the wind farm (with reasons)
- *Wind regime information for the selected location
- *Potential power generation expected from the power plant
- *The number of wind turbines, blade type, etc. expected to be installed in the wind power plant.
- *Expected actual production
- *Determining whether the project is feasible or not

The first meeting about the projects will be held on 03.05.2023 at 2 pm. In this meeting, the initial 3 clauses are expected to be determined.
